New Hampshire Central Railroad

Saturday, July 13, 2024

Please join the NEREX Team for a relaxed single day excursion, Saturday, July 13th, 2024, on the New Hampshire Central Railroad, Vermont Rail's latest acquisition.

We will set on at Hazens, New Hampshire. Many of you will be familiar with this location as it has been the traditional turning point for Conway Scenic Excursions that we have done in the past. We will journey north to our turning point in Groveton. This is where the New Hampshire Central interchanges with the St Lawrence & Atlantic Railroad.

After the turn we will head south back to Hazens, stopping along the way for lunch in Lancaster, where there are several food options available.

We will pass through Hazens and continue on to the famous Ball Signal in Whitefield. After a photo op at Whitefield, we will continue on with what is left of the Littleton Branch, turning at Wing Road before heading back to Hazens for setoff.

The fee for this NEREX excursion is \$105. RT mileage for the day is 64 +/- miles.

There will be a 30 car limit for this excursion.

For The NEREX Team,

Jesse Mazzie
