New Hampshire Central Railroad Saturday, April 26th, 2025

Please join the NEREX Team for a relaxed single day excursion, Saturday, April 26th 2025, on the New Hampshire Central Railroad, Vermont Rails' latest acquisition.

We will set on at Airport Road in Hazens (Whitefield), New Hampshire. Many of you will be familiar with this location as it has been the traditional turning point for Conway Scenic Excursions that we have done in the past. We will journey north to our turning point in Groveton. This is where the New Hampshire Central interchanges with the St Lawrence & Atlantic Railroad. After the turn we will head south back to Hazens, stopping along the way for lunch in Lancaster. You can "brown bag" lunch or go to the local house of pizza.

We will pass through Hazens and continue on to the world famous Ball Signal in Whitefield, where we will stop for a photo op. After the photo op, we will, if possible, continue on with what is left of the Littleton Branch before going back to Hazens for setoff. This is early in the year for an excursion, but with a BUSY summer construction season planned, we are trying to get ahead of the MOW Crews AND the Mosquitoes!

The fee for this NEREX excursion is \$95. RT mileage for the day is 64 +/- miles. There will be a 30 car limit for this excursion. Mentoring by EC permission only.
